PRELIMINARY AMENDMENT

PATENT

REMARKS

The specification has been amended to identify information relating to the international application and the priority application of the present application, to insert a brief description of the invention, to delete reference in the specification to claims and to substitute --drawing-- for "Figure 1".

The claims have been amended to recite a "method" instead of a "use", to remove multiple dependencies and to conform with standard United States Patent practice.

In the event any additional fees are required, please also charge our Deposit Account No. 111833.

Respectfully submitted,

KUBOVCIK & KUBOVCIK
